Action

- 1 Take apologies for Absence**
Cllr Winbow and Cllr Isaac
- 2 To record declaration of interest from members in any item to be discussed.**
None
- 3 To adjourn to allow public participation.**
Mr C May raised two questions
 - To apply for a low cost house in Hawkesbury do you need a strong connection?
If no one comes forward with a strong connection to the Parish the cascade process comes into effect-offering it to adjoining parishes with priority needs.
 - Council Houses on Sandpits Lane; can you confirm if the council are using them to house problem families only?
No this is not the case-if there is any evidence to report it to Cllr Hope District Councillor
- 4 Councillors items**
None
- 5 5.1 Tim Borthwick and Stacey Sheppard-South Gloucestershire Council-Housing Needs Survey**

CLlr Bleaken introduced Tim Borthwich and Stacey Sheppard;
Mr Borthwick said that Stacey had recently joined his team from Home Choice and then explained both their role. This was followed with a full discussion on Rural exception sites (these can be developed when normal residential housing has been refused; however, there must be justification of the need of this type of site and have land available).

The following points came from the meeting;

- Parish Council to distribute the Questionnaires to help reduce the cost.
- To be clarified by South Gloucestershire Council the cost of a questionnaire would be met by SGC and not the Parish Council. At the moment they have the capacity to complete two surveys per year.
- The survey results are valid for 5 years
- The questionnaire could go out before purda however, results would not be available until after the election on 7th May 2015.
- Consider completing a “neighbourhood Plan”-although this option is very expensive and not sure if there are any grants still available.
- Review Hawkesbury’s Parish Plan and link questions regarding Parishioners views on additional housing, housing needs and affordable housing

CLlr Bleaken thanked both Tim Borthwick and Stacey Sheppard for their time.

Pension changes for employees of town and parish councils

If your town or parish council does not offer a pension scheme to employees, you will need to enrol them into a qualifying pension scheme. If your employees are already enrolled into a pension scheme, then you need to do nothing further.

Under the local Government Pension scheme 2014 there are changes to the scheme for employees. This will have an impact on HR and payroll.

There are various categories which determine whether your employee is eligible to join the pension scheme. You, as employer, need to decide which qualifying pension scheme you are going to offer your employee. During each step of the process it is important to keep your employees informed of what is happening and what their rights/options are under auto-enrolment.

If you are a member of ALCA, look on the members' page of the website for information. If you need more assistance, you contact the County secretary.

A guide to auto-enrolment can be found at

www.local.gov.uk/web/workforcelibrary/technical-guides

Don't forget, you will need to make provision in your budget to pay an employer's contribution.
