Christmas Card Collection Boxes

Thank you to the Village Shop, the Post Office, the Beaufort Arms and the Fox for displaying the Charity Boxes and cards during the month of December and to everyone who chose to make a donation to either The McMillan Nurses at Frenchay Ward or the Save the Children Fund instead of sending Christmas cards to friends and family throughout the village.

It is always a rush on Christmas Eve to leave the boxes late enough for everyone who wish to participate to do so. They then have to be collected and the card lists taken to the editors of the magazine to be typed and printed in time to send them out with the January magazine. Also the money has to be counted and banked.

The total collected for each charity will be displayed in Shop, Post Office and The Beaufort and The Fox. Additional money may be received after the boxes have been collected and will be included, I will put the final count in next month magazine. Once again we managed to get everything done, and so I say a big thank you to everyone who made this possible.

Save the Children	£282.75
McMillan Nurses Frenchay Ward	£417.25
Total raised	£700.00

I will also put a copy of the thank you letters from both charities when I receive them.
