New Neighbourhood Watch Co-ordinator - could it be you?

Some months ago now, I mentioned that I wanted to step down as the Neighbourhood Watch Co-ordinator and ceased providing any reports in 2015. Having done it now for 16 years I feel it is time to let someone else have a go. However, the situation has come to a head as the Police require the Watch to sign up for another period of time and if no-one is going to take on the role **then the Watch will have to close.**

This does have a few implications and this is what the Police have reported:

"If we don't get anyone to return the forms we will sadly have to close the Hawkesbury Upton scheme. This means that you will no longer receive any messages and advice from the Police via the Alerts system. Any street signs will have to be taken down as they will no longer have any public liability insurance and the post-owner will withdraw their permission to use their property. Anyone who currently claims a discount on their household insurance must inform their insurers that they no longer belong to an active NHW, which will probably incur a policy increase."

There are no signs, as we had objections by some residents to the signs some years ago, so they have gradually disappeared and have not been replaced. However, there may be an impact upon your household insurance policies for no longer being in a Watch area.

So this can be avoided if anyone will take on the role, I am happy to stay on as a Contact person and there is a network of people on email who will get alerts that relate to our area, plus a few other Contact people.

So any volunteers please give me a call on 232910 or email chris@coombeview.com

If you have information about any crime, phone the police on 101 or you can call anonymously to the independent charity CRIMESTOPPERS 0800 555 111.

For general information about Neighbourhood Watch nationally see the www.ourwatch.org.uk website.

Festival of Remembrance

Friday 11th November at St Mary's Church at 7pm

There will be an Evening of Poetry, Music and Song in St Mary's to remember those who died and also those who served from Hawkesbury in the two World Wars, particularly those on our War Memorial.

It would be very fitting if anyone related, however distantly, to those people, would join us and perhaps light a candle whilst Simon Bendry is saying a few words.

If you would like to take part, please contact Linda Fairney on 01454 238553 or Mary Davies on 01454 238657.

We look forward to hearing from you.

Calling all quizzers!

The 2016-17 Quiz League is poised and ready for launch in The Beaufort Arms every other Sunday evening beginning Sunday 6th November. There will be a preliminary meeting to draw teams for this year's league in The Beaufort on Sunday 30th October at 8.00pm.

If you would like to join, please either come to the meeting or email your name (s) and contact details to: Gill Carey at gill.carey@btinternet.com, or call/text me on 07590 528231.

Fiona Writes...

Welcome to the October issue of Hawkesbury Parish News. Well that's summer done and dusted for another year. As we slide into Autumn, the soups, sauces and meals have been carefully stashed in the freezer, the chutneys and pickles have been made and cordials and liqueurs have been stored away for later treats and gifts. The "squirrel family" prepares for winter once again! I love autumn. There is something comforting about harvesting fruit and vegetables and making the most of them in preparation for winter. Not only that, I love the seasonal changes and the beautiful colours of the landscape, and even the

raking up of fallen leaves to compost them for next year's veg garden. Strangely, the dog thoroughly enjoys that bit too - usually diving headlong in the pile I have just carefully raked up... Well done to all our Paralympians who put in some truly awesome performances at the Rio Paralympics. Our Team GB 7-a-side football team came a very noble fifth. Finding themselves placed in the same initial group as the top two seeds (Ukraine & Brazil) was an incredibly tough challenge, but they played well and to win two out of four matches at the top international level was a great result. Our very own Paralympian, James Blackwell, scored a screamer of a goal in

the match against Ireland, something that will remain long in the memory and, of course, on *YouTube* for ever. As this issue comes out, the **Scarecrow Trail** should be underway for another year (*25th September - 2nd October*). Look out for maps in the pubs, shop and post office and take a trip around the village to see if you can spot them all. Well done to Louise Roberts for organising it once again. Also coming up this month is a History Society talk on "*Rorke's Drift*" on **Friday 21st** and a Gardening Club talk on "*Birds, Tigers and the Taj*" on **Monday 24th**. Pop them on the calendar now! Finally, don't forget that the clocks go back one hour at 2a.m. on **Sun 30th Oct.**

We must firstly congratulate our Preschool children for their fabulous pictures for Hawkesbury Show. Such, creative caterpillars deservedly gained some super rosettes. Plus our float themed 'Best in Show' not only won second prize, but also the coveted Challenge Trophy which has taken pride of place at Preschool and Toddlers. Well done to everyone and a big thank you to Caroline, Adam, Amie and Mel for their creativity and muscle power!

And then we had the Sunday night after show party which we were lucky enough to host alongside After School Club. What a night! We hope that you all had a super time. The photos speak for themselves!

Thank you so much to the Show Committee, Mel Thompson (who practically organised the event single-

handedly) and everyone from our committees who helped to make the event another huge success.

This term we have been delighted to welcome some new, smiling faces to Hawkesbury Preschool. We really hope that Eloise, Phoebe, Callum and Stanley thoroughly enjoy their time with us. And a warm welcome to our new student, Jess, who we are assisting in gaining her level 3 in childcare.

Our topic for our new term is fish and other things that live in the sea. The children will be having fun exploring the depth of the ocean in many creative ways. We are also hoping to get out and about as much as possible, so do give us a wave if you see us around the Village.

As if that wasn't enough for our new Autumn term, congratulations go to our Preschool Manager Louisa Tooker, for passing her level 5 diploma in leadership for children's & young people's workforce - early years (management). Well done Louisa from us all.

Finally we would like to wish all our leavers good luck in their first term at

Primary School – we hope you have all enjoyed starting school and that you will visit us soon.

If you are thinking of enrolling your child into Hawkesbury Preschool soon then please contact us as soon as possible as we are getting busy for the new year already. We are based in the Village Hall and sessions run from 8.45am-12.30pm Tuesday-Friday during term time. For more information call us on 07989 484774, 01454 238 504 or email us on enquiries@hawkesburypreschool.org.uk

Toddlers

Our Toddlers group for Parents & Carers from bump to children up to 5 years, runs every Monday morning in Hawkesbury Village Hall, 9.45am-11.45am.

Do join us for some fun crafts and play, plus a cuppa for the adults! For more information see the contact details on the rear page. A big thank you to all our Toddler volunteers, new and old, without whom we would not be able to run such a lively and enjoyable group.

We thought we would write a little piece about Lee's Christmas lights, as there will be some families now in the village that are not aware why they are called "Lee's Lights".

Lee our very special son, had a very rare muscular dystrophy condition, which meant he was unable to breathe by himself and was on a ventilator 24 hours a day, and had muscle weakness which meant he needed 24 hour care. Lee and our family were given amazing support with fundraising from the village, family and friends to allow him to live at home with us and enjoy as normal a life as possible, despite many challenges he faced & we could not have done this on our own. Originally Lee attended Claremont School in Bristol but with the support of Hawkesbury School and South Glos Council he was eventually able to attend Hawkesbury Primary School which he enjoyed so much.

Lee was so happy at school, and had lots of friends and support but unfortunately died 2nd October 2004 aged 8, following which a lovely

The story of Lee's Christmas lights

stained glass window with fishes swimming was created by his classmates to remember him & fitted in the school hall which we understand has temporarily been removed to fit new windows.

After Lee died we decided we would like to have something special to 'remember' him by in the village each year, and for it to be something for children to enjoy, so decided it would be nice to have Christmas lights & a fund raising evening was arranged to purchase the first set. Lee loved Christmas lights.

The first year and then for several years after we were helped by Steve and Sandra Watts, and without their help we would not have been able to get started, so again a big, big thank you to them. We were, at the time, able to put Christmas lights at the school and at the Village Hall.

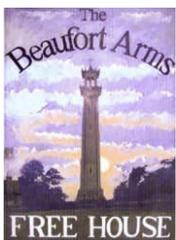

After several years of doing Lee's lights on our own with Steve & Sandra's assistance, they are now funded by the Parish News, with helpers from the village to put them up. We feel very fortunate that this

has been able to continue and we are able to come along each year and remember what Christmas lights meant to Lee, and see the magic of Christmas for children in the village.

Thank you Parish News and all helpers, and to everyone for all your help in the past and ongoing.

Sincere Condolences

On behalf of the Parish News and our readers, sincere condolences to the family and friends of Gretta Preston (wife of the late Frank) who passed away in August at Wickwar Care Home, aged 87 years. She will be sorely missed as a mother, grandmother and great grandmother, neighbour and friend. Our thoughts are with the family at this sad time.

Thank you

Thank you for all the very kind wishes, messages, cards, flowers and gifts received since I had my most unfortunate accident. I am now on the mend and hope to be out and about shortly.
June Butler

Thank you

Lionel French and family would like to pass on their sincerest and heartfelt thanks to everyone for their prayers, messages of condolence, cards and flowers following the sad passing of Maureen French of Petty France, formerly from Swanmore, Hampshire. At the September meeting members were welcomed back after the summer break and the result of the Perpetual

Challenge Shield for Women's Institutes at Hawkesbury Show was announced and members taking part were thanked. The theme this time was A Paid Occupation and the winners of the shield was Rangeworthy WI with The Wedding Planner, second was Hawkesbury & Horton with The Waitress, and third was Old Sodbury WI with The Fisherman. This time Coalpit Heath WI also took part with The Funeral Director. Our speaker for the evening was Francis

Benton and she gave a very lively talk on pearls, nature's only living gemstones. It covered the science, the history, the real and fakes, the myths and the legends, and we were able to handle the hand-crafted unique jewellery. Francis travels to many parts of the world in order to buy the pearls for her work and profits from this go to a charity she supports for street children in South Africa. During the evening we learned that the best way to look after your pearls is to wear them regularly as oil from the skin will keep them in good condition. Also they should never be worn near perfume as it can cling and affect their natural shine. Francis is so passionate about hers that she even wears them to bed!

A vote of thanks for an excellent evening was given by Liz Howard. Competition for a handmade necklace was won by Pamela Bendry. Flower of the month competition was won by Judy Chancellor with a gladioli.

Doorstep trading - do you know your rights?

Neighbourhood police have teamed up with trading standards officers in South Gloucestershire to remind people how to avoid unscrupulous tradespeople.

Local Policing Inspector Lee Moore said: "We've had reports of flyers being delivered in the area promoting home maintenance and gardening services.

"While many legitimate firms use leaflets to promote their business, we know that it's also a favourite tactic for so-called 'rogue traders' – people who persuade householders to have work done unnecessarily, to a poor standard or who overcharge - and we want to remind people how they can steer clear of unscrupulous traders."

You should get three quotes from reputable tradespeople and remember they have a legal right to a cooling off period before work starts.

South Gloucestershire Council holds a 'Buy with Confidence' directory.

According to South Gloucestershire Council: "Our advice is not to deal with cold callers on your doorstep. You do not know who they are, or what their history is. If you are unsure, shut the

door. Rogue trading is linked with distraction burglaries and rogue traders are known to have criminal convictions for fraud, violence and Trading Standards offences.

"If you believe you may have been the victim of a rogue trader recently, or suspect a friend, neighbour or family member may have, please report this to South Gloucestershire Council Trading Standards or contact the police."

Leaflets for genuine businesses will usually include the trader's full name and address and a landline telephone number, which can be checked against the phone book or other directory. Be suspicious of any business leaflet which only contains a mobile number, with no other contact details.

The advice from trading standards is:

- get three quotes for work
- do not pay for work or materials in advance
- don't hand over a cash deposit

- don't agree to a trader starting any work straight away
- failure to provide a notice of cancellation rights is a criminal offence
- if you do not receive your cancellation rights in writing, the trader cannot hold you to the contract

If you're are suspicious of a trader's leaflets please contact the **Citizens' Advice consumer helpline** on 03454 04 05 06 or Trading Standards on 01454 868001

If you are concerned about anyone calling door-to-door in your area – especially if they are visiting elderly or vulnerable people – please call us straight away on 101, or 999 if it's an emergency.

There's more information about rogue trading and doorstep crime on South Gloucestershire Council's website including a downloadable information leaflet.

SHORTS AWAY

By Alan C. Porter

I'm rather glad it's October because it means that I can hang my shorts up until next summer. This year I've capered on Cornish beaches, trudged coastal cliff paths in Wales even ventured into the depths of Tesco clad in shorts, plus taking in the Hawkesbury show and Woodfest at Westonbirt.

So the long, shorts wearing season thankfully comes to a close. I say thankfully because, quite honestly, I haven't got the legs to sustain shorts for long periods and not a lot of us blokes have, but there are a number of designs available to hide embarrassing legs and still get the benefit of the cooling breeze around the

"knobbly" bits from baggy, mid calf, almost trousers to the "Village People" shorty shorts.

I tend to go between the two, slightly baggy knee ticklers in an effort to maintain dignity and decorum although the two words can never be applied to shorts or those who wear them!

So I now have a pair of jolly brown knees safely hidden to grow pale again in the darkness of denim until next year's summer season sees the return of the shorts.

HAWKESBURY GARDENING CLUB

www.hawkesbury-gardening-club.org.uk

Meetings are held at 8pm on the 4th Monday of the month in the Methodist Hall in Back Street.

This is Terry Truebody's Ghost Writer reporting this month. Having last month informed us that he has lived in Hawkesbury Upton for 40 years, he has absconded from his duties. I suspect he is sunning himself in some outpost of the British Isles, but rumour has it that he has been seen recently blowing his own trumpet in the nether regions of Hillesley.

We often focus our gardening thoughts on flowers and vegetables – especially around Show time, but what about the trees that adorn our village and countryside? Having been successful in making walnut liqueur (an ancient French recipe) I am amazed at the number of walnut trees that we have in our village. Most of the walnuts will become food for the local crows, magpies, rooks and the like – the odd empty shells appearing like magic on garden paths and lawns. Some even have been known to fall on people's heads (dropped, one assumes, by a

passing bird). However, walnut liqueur is perhaps one of the best ways to taste walnuts. Five walnuts, picked "in the green" (ie in July), chopped up and mixed with sugar. Add 100% proof alcohol (available in French supermarkets – of course!!) – or vodka - a few litres of red wine and that's all there is. You do have to leave it for at least 4 months – or a year if you can manage it. Small sips at a time are recommended.

On a more sober note, you will be pleased to know that Terry will be back next month.

Autumn is a good time to establish a wildflower meadow, autumn germinating plants are able to establish whilst those that require their seeds to be chilled in order to break dormancy will overwinter and be ready to germinate in the spring. An area on Hawkesbury Common will be lightly cultivated to create approximately 50% bare ground before seed harvested locally from Yarley meadow is broadcast onto the surface and then rolled for good contact. It is important not to bury the seed as many wildflowers require light to germinate. Some seed can take years to germinate and it may be a few years before plants actually flower. This work is being funded by the charity Buglife as part of its B-Line project which is helping to provide flower rich corridors for insects. Hawkesbury is on a B-Line linking with other unimproved grassland along the edge of the Cotswold scarp. Visit the Buglife website for lots of information and ideas on wildlife gardening with flowers, bees and bugs in mind!

Last year saw a lot of work for our rare buttercup, the adder's-tongue spearwort, but this isn't our only rare pond plant. Tassel stonewort is an underwater plant resembling a tangled fishing net and is found in the spring before dying back by the end of May, perfectly adapted to the seasonal ponds on the common. Work is planned to cut back scrub around ponds at Hawkesbury and Inglestone to let light in and to help it survive.

Hawkesbury Upton Senior Citizen's Fund

Harvest Auction at The Beaufort

Thanks to all who supported us at The Beaufort's Harvest Home on 3rd September we raised £400. Our gratitude goes to Mark Steeds for continuing to host this traditional fundraiser on behalf of the Senior Citizen's of Hawkesbury.

Dave Harris still managed to donate an array of fruit and vegetables and help out on the night in spite of his recent injury. He directed 'the team' of Liz Howard, Les Trinder and Chris Chubb on what to pass to our terrific auctioneer Terry Tripp.

Mary and Tim Davies assisted with the Raffle.

Sam Allen and All Committee Members

What is The Senior Citizen's Fund?

For those new to the Village and surrounding areas - The Senior Citizen's Fund is an account that is in place to benefit all those who have been resident for at least 1 year and are in receipt of a State Pension in the villages of Hawkesbury, Hawkesbury Upton and The Commons. At present everyone receives the sum of £10. The Fund is administered by The Royal British Legion, assisted by the WI.

We need your help to ensure that no one is missed out. It is difficult to know when people reach pension age (state pension), especially when the age can differ from year to year, and of course you all look so young. Please let us know when you or someone else reaches that age.

Over the past year fundraising in the community has raised over £1,800 from the following: St Mary's PCC, The RAOB (Buffs), Rugby and Football competition proceeds from Mick Bendeaux, Garden Party hosted by Mary and Tim, Summer Skittles, the Harvest Auction at The Beaufort and one Donation.

In December 2015, a total of 197 senior citizens received £10.

The fund still remains healthy in the short-term, but each year we will continue to need fundraising events and donations to enable us to continue with this great Hawkesbury Upton tradition.

“Post-Show” Interview with Hannah Edwards

A huge thank you to the people of Hawkesbury for their fantastic support and encouragement at the Hawkesbury Show last month. It was wonderful to see so many lovely people, old and new acquaintances. It was my first Show and I loved every minute of it!

Special Thank yous go to Mike and Sally Wollen, Sharon Gray, Amanda & Sofia George, Lauren Orchard (my fabulous Angel on the day) and Sharon Clay (in Badminton) for all their help and assistance in the run up to the Show...and of course to my David !

As many of you know, aside from my independent nursing shifts, I run two independent businesses, Blueberry Nails and Waiting Angels Ltd. Waiting Angels Ltd has had an amazing 8 months to date, with a staff of 30 (my amazing Angels!) and a wide range of clients in and around Gloucestershire.

What does the company do? We provide uniformed, professional courteous & experienced staff to clients such as catering firms, private chefs, individuals wanting to entertain at home, stately homes requiring staff for large functions, hog roast firms wanting service

staff, funeral directors and offices wanting product launches/re-openings.

What type of events do we send ‘Angels’ to?

- Wedding receptions
- 21st parties
- Retirement Parties
- Christmas and New Year Parties
- Summer BBQ’s at home
- Engagement and Renewal of Vows celebrations
- Private Individuals who want to spend time at their party and not in the kitchen!
- Halloween parties
- Burns Night Suppers
- Children’s Parties

Where do Waiting Angels Ltd cover?
All over Gloucestershire

Are we recruiting? Yes! All vacancy details are on our website www.waitingangelsltd.com

I am thinking about booking a party. Contact Hannah via the website to discuss your party requirements.

We cater for private parties of 4, to wedding receptions of 400.

Waiting Angels Ltd are looking forward to a thriving Christmas and New Year party season!

Beware of Scary Crows

While taking the scenic route to Cheltenham earlier this week, I nearly crashed the car when I spotted Harry Potter on his broomstick. A closer look revealed he was in fact a scarecrow in someone’s front garden, sadly too distant for inclusion in Hawkesbury’s Scarecrow Trail.

I don’t know why scarecrows attract people as much as they deter birds, but there is something very winning about a well-made scarecrow, and not only on Hawkesbury Show Day. I reckon Scarecrow Trails are what inspired the Gromit and Shaun the Sheep events that recently took Bristol by storm, every exhibit a riff on the same theme allowing its maker to express his or her own sense of fun.

You’d think birds would have to be daft to be repelled by such inanimate objects, but don’t be taken in by them. Crows are smarter than you might think. If you google “crows using tools”, you’ll be scared by their prowess. Like early man, they’ve learned to manipulate sticks and to bend or break them to form more useful tools. I’ve even seen a video of one bird giving another CPR until they both flew away unscathed.

Birds may not have the opposable thumbs that helped human beings get to where we are today, but with the bonus of long beaks, they are slowly catching up with us. Let’s hope they only ever use their powers for good. But just to be on the safe side, I’m leaving my scarecrow in place after Trail week is over.

Rorke's Drift

a talk by

Robert Brunson

Rorke's Drift was a mission station and the former trading post of James Rorke, an Irish merchant. It was located near a drift, or ford, on the Buffalo River, which at the time formed the border between the British colony of Natal and the Zulu Kingdom.

On 9 January 1879, the British No. 3 Column, under Lord Chelmsford, arrived and encamped at the drift

Sunday: 7am – 12.30pm

Bring your own 1litre or 2litre bottle and fill up from the Ecover stock containers:

- Non-bio laundry liquid £3.25 per litre
- Fabric conditioner, £2.10 per litre

What a great way to save money AND reduce landfill by recycling old washing liquid containers!

Meringues are now cheaper!

Delicious meringues, ideal for a perfect Pavlova base, now reduced in price

Also very handy when making Eton Mess. Whip double cream and fold in sliced strawberries and crumbled meringue. Top with mint. Try using different fruit for a change, or sprinkle with choc drops, stir in a fruit puree or flavour the cream with elderflower or ginger cordial.

Speciality Bread

Every Wednesday and Saturday, there is a delivery of artisan bread from Hobbs Bakery. The selection may change slightly from week to week, but regulars include – tomato and black olive bread, green olive loaf, spelt, cottage loaf, rye bread, fig & walnut loaf, ciabatta, pain de campagne, tiger bread, Paysan stick and sour dough loaves.

HOLY COW! curry sauces

Great with chicken, lamb, beef, prawns, fish or vegetables. All sauces are gluten free and nut free.

A range of 'hotness' to suit all tastes. Each pack has an easy to follow recipe on the back

I tried the Kashmir Roganjosh curry sauce with lamb as suggested, cooking the meat in a frying pan, but adding onions as the meat was cooking. Then made it into a 'saag' dish by adding a pack of spinach at the very end, and cooking, with the lid on for a few minutes. Served with rice, a quick and really delicious meal, in less than 30 minutes.

Did you know that the shop sells –

- Frozen puff, shortcrust and filo pastry
- Marshfield ice cream tubs
- Naan bread
- Tricklements chutneys and relishes
- Filled sandwich rolls
- France Lane Farm sausages
- Soya milk
- Quorn mince
- Yorkshire puddings

HAWKESBURY UPTON TENNIS CLUB

October 2016

<http://hutennis.wixsite.com/hutc>

Winter drawers on, as any self-respecting follower of "I'm Sorry I'll Read that Again" would put it. In addition to adjusting our attire to suit freezing rain and whatnot, we are also changing our hours:

Tennis Club Autumn at a Glance		
Mon	5.00 – 6.00	Junior club night (11-16)
	6.00 – dark	Club night
Tue	2.30-ish	Social tennis
Wed	6.00 – dark	Club night
Sun	10:00	Club session

Sunday sessions, formerly thinly attended because they were for good players, have returned with a more casual slant. Plan A is to continue with Monday and Wednesday only until the clocks change. Plan B, currently under investigation, is to organise a bit of light now and again. Watch this space – or alternatively, watch the tennis courts. The Tuesday session will float in a temporal sense in such a way that the balls do not float in a physical sense. The stalwarts will probably be found on the courts at the first sign of a break in the rain whatever day it happens to be.

Since we started welcoming our younger members along to general club sessions, Madam Seat has decreed that we shall not teach them any new words. That is all very well, but it leads to a bit of a conundrum. Suppose, for example, that one of our HUYs is somehow unaware of the word "chthonic" (which is admittedly handier for Scrabble than tennis). How are we to know without asking them, and thereby blowing the gaffe? Anyway, Pub Off is permitted to cry out "oh garments" when he

fluffs yet another volley. By the time you read this, the Tennis Club scarecrow will be quietly dissolving in the autumn rain. Our Naming the Scarecrow competition is therefore now on. She is the creation of Madam Seat so she gets first dibs, and came up with Hawtense by way of an oblique reference to the name of the village. Some other possibilities are still under consideration. Miss Flirtylove took Pub Off a moment to see – though I am sure the rest of you will get it in an instant. Or perhaps Annette, as in "what do you call a lady in the middle of a tennis court". There is always a chance that we will come up with something good, so why not pop along and check?

Policies, Sites and Places DPD

The Policies, Sites and Places (PSP) plan for public consultation

The plan provides detailed planning policies that the council will use when making decisions on planning applications and also protects some of our much valued open spaces by designating them Local Green Spaces. You may have noticed notices around the village advertising the spaces which will receive the designation **however there are many areas not covered by this protection and you may wish to write and object to their exclusion; this includes the allotments, the Plain, the play space on Birgage Road, and Sandpits Lane. Maps and details are in the shop.**

A planning inspector will then consider it at an examination in February/March 2017, with B

There have been changes to the Supported Bus services which include the 84 and 86 and the introduction of the new 85. Stagecoach have won the new tender and new timetables have

been published, with an improvement in the service to Yate and Wotton. I have asked for further clarification on the times for the school services.

- No longer collecting engine oil/ car batteries – taken to Sort It site.
- Residents can request additional recycling boxes.
- Paper recycling bags no longer available.
- **240 litre black bins replaced by 140 litre – collected fortnightly.**
- Separate nappy collections.

An officer has been invited to come along to parish council to explain the new collection.

Grants for central heating systems now available –tight time scale

Households that currently don't have central heating may be eligible for a grant of up to £4,500 to have a new system installed.

The funding is available until end of August 2016 and will help households overcome the significant barrier of high upfront costs by funding the installation of complete central heating systems, including the heating source, pipework and radiators.

Horton Court refurbishment update

The tenders have been out since the summer and by the time of reading this a main contractor to carry out the works will have been appointed. We hope to start on site on the 1 November. More details to follow in the next newsletter update.

You might be interested - when carrying out the last of the bat survey works, the ecologists spotted our first

Greater Horseshoe bat (only the one) in the stables. As we have both roosting and hibernating bats in and on the roofs we will be applying for a license to carry out any repairs from Natural England. This means that any invasive or intrusive work to the roofs will need to be done only either in the spring or late autumn, to minimise disturbance to the bats.

Missing from the Hall Office

Navy blue, zip-up bag containing a large, navy pop-up gazebo.

It was in the Village Hall Office prior to the show, but was taken by persons unknown and has not been returned.

It is **not** Hall property or available for general use, but personal property which is used annually for the Show Raffle tent. Its unexpected removal caused great inconvenience, not to mention additional expense on Show day.

Could whoever took it please call 07989 063 204 or contact us here at parishnews@hawkesburyupton.com?

Please return it **as soon as possible** as it is required for another forthcoming event.

The year rolls on, and the next event in the church calendar is Harvest Festival. This will take place at St Mary's on Saturday 15 October at 5 pm, followed by a harvest supper. Details for this are still to be confirmed, so watch out for posters in the usual prominent places

Next comes All Souls on 1 November, Remembering our Loved Ones, at 7 pm. This is a time of quiet reflection in which to remember family and friends who are no longer with us, but whose lives we still cherish

On Friday 11 November at 7 pm we are holding a Festival of Remembrance, an evening of poetry and music to remember those who gave their lives in two world wars and other wars since then. This does not take the place of the Remembrance service on the Plain on Sunday 13 November, but is in addition to it.

Finally, and so that you have plenty of time to be thinking about it, let me highlight the Christmas tree festival. More details will be given nearer the time, but donations and offers of help are welcome from now on

 One of the chaplains of her late Majesty, Queen Victoria, had been preaching on the second coming of the Lord. Afterwards, in conversation with the preacher, the Queen exclaimed – “Oh! How I wish that the Lord would come in my lifetime!”
 “Why?” asked the chaplain “does your Majesty feel this very earnest desire?”
 The Queen replied, with quivering lips, and her whole countenance lighted up by deep emotion – “I should love to lay my crown at His feet!” What a wonderful thing to be able to do.

Letter from the Vicar – October 2016

Dear Friends,

Some parishes still have their Harvest festivals this month, so I hope they are enjoyable. Otherwise, it is the beginning of Autumn for us all and making sure the home fires are well stocked. September brought some sad news from around the parishes with a couple of untimely deaths. It goes without saying that families of the bereaved are always in the prayers of the church. This brings me to All souls day: Every year, Mary Beresford puts on a special service for the bereaved at Hawkesbury on or very near All Souls Day (2nd November). It is worth pencilling it in the diary, and more details will be on the website nearer the time, or by emailing Mary herself or me. It is important to be able to bereave our loved ones, and the church is there to help us come through these life-changing events.

We now know that Alveen is leaving us in January, though we still have to fix the date of her last service. So, we will be organising a leaving bash in which we can thank Alveen for all that she has given to the parishes over the past six years. She is retiring to Dorset and will no doubt be an asset for the local clergy there, as the Vicar of Cerne Abbas has four parishes, I believe to cover.

The good news is that Chris Andrew is being Licensed as a Reader in this Benefice on 25th Sept. This means we will be well-staffed for once.

With my very best wishes,

Richard Thomson, Vicar.

Hawkesbury Cemetery

The Parish Council is extremely grateful to all those volunteers who help maintain the Cemetery and keep it looking very tidy throughout the year.

The Parish Council pay for all the cemetery grass to be cut during the growing season.

The Parish Council now pay for 3 Green Bins, and are grateful that most people use these only for GREEN waste. There is still a Black Bin for plastics/pots etc.

The compost bins (located to the left of the Lych Gate) filled quickly and we would appreciate these are not

used at the moment.

To help maintain the Cemetery the Parish Council will be applying for the removal of some of the trees- these have been marked; they are mainly Leylandii; the Irish Yews will remain and should be enhanced, especially with the removal of the elder which is growing up.

It is hoped that the very old Goat Willow which overhangs the cemetery will be enhanced with the crown raised by 2/3 metres.

It is intended to keep the Evergreen Oak, but the English Oak samplings growing underneath will be removed.

It is the intention to keep the Holly Trees and Bushes in the cemetery and hopefully improve their shape.

The Lych Gate – the Parish Council is looking at repairing and painting the Lych Gate which provides an entrance to the Cemetery.

The Parish Council keep under review the demand for spaces in the Cemetery; burial plots are limited to those living in the parish or those with a very strong parish connection.
