Mrs T Davies asked how the Parish Council came up with their decision to turn the landscaping down on their application for 4-5 Petty France.

Cllr Hope explained the Parish Council had previously commented on the application. The Councillor's were concerned about traffic using the road as a circuit, the landscaping near the treatment sewer could damage it and also the height of the wall the Councillor's wanted it rebuilt to the original height.

Mr Davies explained SGCC have made their decision therefore it was irrelevant.

Cllr Hope explained plans are sent to the Parish Council for consultation; Councillor's talk the plans through before making any decision. Cllr Musty mentioned that a site visit took place 2-3 years ago, a decision was made not to carry out a further visit; the Parish Council do not visit all sites.

A discussion took place regarding the fence which was not shown on the revised plans.

Cllr Bleaken explained that the Parish Council had made a decision and this has been explained.
